## Best porridge buffets in Singapore

Porridge is something I instinctively associate with family time, when my fam and I share food over laughter, banter, and the occasional chiding. It's one of our staple weekend or Sundays don't feel like Sundays without us trooping down to my ah ma's house for a Teochew porridge lunch. Even through the years, it hasn't gotten boring because plain porridge is the perfect canvas for an infinite combination of veggies, meats, and sauces.

If porridge makes you reminisce about the good old days, too, here are seven porridge buffets to eat your nostalgia away, one bowl of porridge at a time.
